

EGO IRON PACK: BRUSHLESS DRYWALL SCREWDRIVER 20V, 4AH BATTERY, FAST CHARGER, MODULAR STORAGE TOOL BOX TOP

PACK14EGOIRON

This PACK (PACK14EGOIRON) includes a Brushless Drywall Screwdriver 20V that guarantees precise screwing, especially in drywall. It is complemented by a 20V 4Ah EGO battery that guarantees extended autonomy, even for the most demanding tasks. The 20V fast charger allows you to charge the battery efficiently. For transport and organisation, this set comes with a modular storage tool box top, which ensures transport, protection, and easy access to your tools.

Key features

- > The Brushless Drywall Screwdriver 20V can reach a no-load rotational speed of 4400rpm and is compatible with screws with a maximum diameter of 6mm.
- > This Screwdriver is equipped with Brushless motor technology. Includes a belt clip and an LED for illuminating the work surface.
- > The 20V 4Ah EGO battery has no memory effect thanks to its lithium-ion composition, which ensures resistance to damage and guarantees greater autonomy. It is equipped with a non-slip rubber base that offers greater safety during handling.
- > The 20V fast charger has a 1.9m power cable and an LED to make it easier to check the charging status of the device.
- > The modular storage tool box top is included in the IRON range and can be complemented by other iron tool boxes. It features metal front fasteners, a reinforced metal handle and a modular system with easy-click attachment/detachment. It is impact-resistant and has a maximum load capacity of 17 litres or 23kg.
