

VACUUM/BLOWER 600W

VIAS600

Its powerful motor and flexible rubber tube allow you to obtain the best cleaning results in your garage, balcony, garden, patio, car or workshop. Practical, simple and lightweight, this blower combines the functionality of a blower and a vacuum cleaner, making it possible to reduce time and effort in each task. The ON/OFF switch lock button for continuous use allows versatile use in any of its functions.

Key features

- > - Ideal for cleaning workshops, (removal of dust, sawdust, wood or metal chips) patios and gardens (removal of leaves).
- > - Possibility to lock the button for continuous use.
- > - Includes blower function.
