

20V

**MINI CHAINSAW 100MM - 20V  
VIBCMPC20**

The 20V mini chain pruner is designed for light pruning, branch cutting and regular garden maintenance, providing controlled cutting in compact spaces. It features safety protections, a flexible chain guard and a tool-free chain replacement system, making operation and maintenance simple. Its compact cordless design makes it suitable for quick jobs and hard-to-reach areas.

**Key features**

- > Suitable for branch pruning
- > Cordless operation for mobility
- > Flexible chain protection
- > Tool-free chain replacement
- > Compact and easy to handle
