

SAFETY BOOT S1P E1415 WRU VIBEW37

With a safety rating, S1P - Class I, it brings together several essential features for safety at work. Puncture resistant, slip resistant, oil and hydrocarbon resistant sole. Flexible with high impact absorption and anti-static properties. For all those who seek greater flexibility, comfort, environmental awareness and safety all day long, everywhere.

Key features

- > Manufactured using recycled materials (Tex Pet);
- > Quick ATOP closure system;
- > Ultra comfortable, reduces fatigue effect;
- > Flexible with high shock absorption;
- > Anti-static properties;
- > S1P SRC WRU;
- > Made in Portugal.

Specifications

Available sizes	37-46
Midsole	Aramid synthetic fibre
Midsole	TPU + EVA
Outer coating	Recycled fabric (TEX PET)
Safety Rating	S1P SRC WRU
Toe cap	Composite
Weight	456 gr (41)

Variants

Reference	Available Sizes	Midsole	Outer Coating	Safety Rating	Toe Cap	Weight
