

## SAFETY BOOT S1P OXIS SUEDE LEATHER

### VIBO37

OXIS range of footwear intended for users who value safety and comfort in the workplace. These shoes or boots made with high quality materials stand out for its protection, absorption and resistance. The toe cap is made of composite for greater comfort and protection against scratches; the double density polyurethane sole prevents wear and slipping. Suitable for industrial, transport and warehouse work, OXIS protective footwear is the best choice for everyday use.

#### Key features
