

HANDLE FOR HATCHET 70 CM

VI4031

The 70 cm Hatchet Handle is designed to replace hatchet handles, providing stability and durability during use. With a diameter of 49 mm and weighing just 450 g, it offers ergonomic features and lightness, making it easier to handle during precision cutting activities, whether in gardening, pruning, or carpentry. Made to withstand repeated impacts, this handle ensures that your tool maintains efficiency and safety over time. Its robust design is perfect for those seeking quality and comfort in cutting and finishing tasks.
