

DRILL PRESS 500W - 16MM VIEFC500

VITO's 500W Drill Press is ideal for precise drilling in metal, wood, plastics, etc, with a drilling capacity of up to 65mm. This drill press offers 9 adjustable speeds, with an idle rotation range between 400 and 2500rpm. The tiltable work table (-45°/0°/45°) makes it easier to make angled cuts and drill holes at different angles. For added safety, this device is equipped with a safety switch on the drill press head.

Key features

- > Adjustable speed: The 9-speed system (400 to 2500rpm) allows you to adjust the rotation according to the material;
- > Easier angled cuts: The tiltable work table (-45°/0°/45°) offers greater flexibility, ideal for drilling at different angles and more demanding projects;
- > Precise drilling: The adjustable depth stop ensures that holes can be drilled quickly and precisely, up to a maximum depth of 65mm;
- > Superior stability: The support base ensures stability during use, guaranteeing precision and safety with every drill.

Specifications

Chuck housing	B16
Chuck maximum capacity	16 mm
Distance between chuck and column	115 mm
Duty cycle	S2 (30) min
Maximum working height	330 mm
No-load Speed	400 - 2500 rpm
Sound power level (LWA)	79 dB
Speeds	9
Steel drilling	65 mm
Support base dimensions	320 x 195 mm
Timing belt	K478 (x2)
V-belt cover with safety switch	Yes
Wood drilling	65 mm
Work surface dimensions	175 x 175 mm
Work surface tilt	45° / 0° / 45°
Rated power	500 W
