

BENCH GRINDER 250 W - 150 MM VIES150B

VITO's 250W Bench Grinder (VIES150B) is ideal for grinding, deburring and sharpening metal and wood materials with quality, precision, and rigour. Available with two types of high-quality grinding wheels (G36 and G60), which allow you to achieve different finishes, guaranteeing a more efficient and precise job. Versatile and adjustable, it incorporates workpiece holders that adapt to all grinding jobs. The integrated rubber feet allow the machine to be supported securely and with minimal vibrations. The holders for sharpening provide additional stability during the process, allowing a precise adjustment of the workpieces.

Key features

- > S2 Duty Cycle: Allows continuous use for up to 30 minutes before needing a break, preventing overheating;
- > High-quality Grinding Wheels: G36 and G60, for different finishes;
- > Holders for sharpening;
- > Minimal vibrations thanks to the integrated rubber feet;
- > Equipped with eye shields to increase safety during work.

Specifications

Duty cycle	S2 (30 min)
Grinding wheel hole diameter	12,7 mm
Grinding wheel outer diameter	150 mm
Grinding wheel thickness	20 mm
Grit	G36/G60
Height	250 mm
Length	370 mm
No-load Speed	2950 rpm
On/off switch	Yes - protected against dust
Product weight	6.688 kg
Rated power	250 W
Sound power level (LWA)	92 dB(A), k = 3
Weight with packaging	7.264 kg
Width	210 mm
