

DISPOSABLE MULTIPURPOSE COVERALL

VIFDL

VITO`s Disposable Polypropylene Coverall are ideal for ensuring protection, whether for DIY tasks at home or professional painting jobs. With a Category I safety rating, this coverall is suitable for activities involving contact with dust or small liquid splashes. It has a front zipper and elasticated hood, ankles, and cuffs, ensuring an effective fit and greater safety during use. In addition, the polypropylene material combines lightness and breathability, offering freedom of movement and comfort throughout the day.

Key features

- > Effective protection against dust and splashes;
- > Comfortable, lightweight, and breathable thanks to the polypropylene;
- > Zipper and elastics for a better fit and security.
