

5-LAYER HOSE GREY/GOLDEN 20M VIMCD1520

VITO's 5-Layer Hose (VIMCD1520) stands out for its resistance to atmospheric agents, making it ideal for demanding jobs in gardens of various sizes. This product features Tricot TST No-Twist technology that prevents twisting and folding, guaranteeing a constant, uninterrupted flow of water. In addition, the hose is made up of five layers that increase its durability and resistance to wear and tear. With a length of 20 metres and high flexibility, it adapts to different needs and contexts, ensuring versatility and optimising the user's work. In addition, the hose is manufactured without harmful substances such as phthalates, which reinforces the product's safe and environmentally friendly nature.

Key features

- > Tricot TST No-Twist technology that prevents creases, allowing a continuous flow of water;
- > Structure with five layers, providing durability and resistance to wear;
- > Phthalate-free hose, greener and safer for the environment;
- > Easy to handle due to high flexibility and manoeuvrability;
- > 10-year guarantee, ensuring profitability for the user.

Specifications

Bar	8 - 20
Height	150 mm
Length	360 mm
Product weight	3.841 kg
Weight with packaging	3.926 kg
Width	360 mm
