DEMOLITION HAMMER 8KG - 20J SDS MAX

VIMDM820

With two functions, demolition, and chisel position adjustment, combined with a high impact capacity, this equipment can be used for a wide variety of demanding demolition jobs, pavement removal, grinding, etc. The SDS MAX fitting allows a quick and safe change of pointed chisels and accessories.

Key features

- > 2 functions: demolition and chisel position adjustment;
- > Mobility: The 3-metre power cord offers freedom of movement;
- > SDS MAX: Allows a quick and safe change of pointed chisels and accessories, minimising downtime between tasks;
- > High performance: 8kg with 20J of impact force gives it a distinctive capacity in its range.
