Key features

- > Aluminium carbon brush motor;
- > Aluminium pump head and body;
- > 5 metres PVC hose;
- > Telescopic carrying handle;
- > Automatic stop and adjustable jet.

Specifications

Ajustable handle	Yes
Aluminium carbon brush motor	Sim
Automatic stop and adjustable jet	Yes
Body	Aluminium
Carrying handle	Yes
Flow rate	5,8 L/min
Head	Aluminium
Height	720 mm
Hose	PVC - 5 m
IP code	IPX5
Length	400 mm
Max. inlet water pressure	7 bar
Maximum flow rate	6,7 L/min
Maximum pressure	130 bar
Operating pressure	90 bar
Operating temperature	5 - 50 °C
Power cord	5 m
Product weight	9.098 kg
Product weight	10,3 Kg
Rated power	1600 W
Sound power level (LWA)	89 dB(A), k = 3
Supply voltage	230 V AC 50 Hz
Weight with packaging	12.512 kg
Width	370 mm
