

CORDLESS MULTI-TOOL 12V LI VIMLSF12A

VITO's 12V Multi-Tool (VIMLSF12A) has three different functions: sanding, scraping, or cutting and is suitable for working on a variety of surfaces from wood to metal and plastics. The triangular shape of the sanding pad is ideal for reaching into corners and narrow spaces, making this model perfect for detailed work. In addition, the Velcro fastening of the sanding pad makes it easy to change accessories quickly and safely, allowing for greater efficiency. For greater control, it has 6 levels of speed adjustment, adapting to the specific needs of each task and guaranteeing a quality finish. Lightweight and compact, this cordless tool offers greater safety, comfort, and freedom of movement during use.

Key features

- > **Integrated Lighting:** The built-in LED provides excellent visibility of the work area, guaranteeing more precise results, even in dimly lit areas.
- > **Velcro Fastening:** The sanding pad is attached with Velcro, which makes it easy to change accessories quickly and safely, allowing for greater efficiency and less downtime.
- > **Portability and Storage:** It includes a transport case, offering convenience and protection for the tool and its accessories.
- > **Lithium Battery without Memory Effect:** The lithium battery ensures constant performance without loss of power, even with frequent use, and can be recharged at any time without deterioration.
- > **Speed Adjustment:** With 6 levels of speed adjustment, it can be adjusted according to the needs of each task, providing greater control and a quality finish.
- > **2.8° Oscillation Angle:** Its oscillation angle allows you to work more efficiently in hard-to-reach areas.
- > **Sanding Area:** The triangular shape of the sanding pad, with an area of 89 x 89 x 89 mm, is ideal for reaching into corners and narrower spaces.

Specifications

Battery capacity	1,5 Ah
Charging time	45 min
Functions	3 - sanding, cutting and scraping
Height	250 mm
Length	320 mm
Lithium-ion battery without memory effect	Yes
No-load Speed	5000 - 15000 rpm
Oscillating circuit diameter	2,8°
Packaging dimensions	314 x 87 x 240 mm
Product weight	1 kg
Sanding sheet dimensions	89 x 89 x 89 mm
Sanding surface	89 x 89 x 89 mm
Sandpaper type	Triangular sanding sheet
Sound power level (LWA)	87 dB(A), k = 3
Speed setting levels	6
Velcro-type fastening	Yes
Voltage	12 V DC
Weight with packaging	2.159 kg
Width	90 mm
