

LAWNMOWER WITH TRACTION 5,5HP - 190CC - 510MM

VIMR55

VITO`s Petrol Lawnmower ensures efficient cutting in small and medium-sized gardens. This lawnmower, with a 5.5 hp 4-stroke engine, has different cutting levels for vegetation from 25 to 75 mm, ensuring versatility when carrying out gardening tasks. It is also equipped with rubber wheels that provide greater traction, promoting safety. In addition, this machine has three functions that add practicality and help to optimise the user`s work: rear discharge, side discharge and mulching. The 60-litre grass collection bag also increases productivity and efficiency.

Key features

- > Cutting levels from 25 to 75mm, ensuring versatility;
- > Equipped with side discharge, rear discharge, and mulching system;
- > Rubber wheels that ensure greater safety and grip;
- > 60-litre grass collection bag, optimising tasks.

Specifications

Body	Metal
Cutting diameter	510 mm
Cutting levels	25 - 75 mm
Engine	4-stroke combustion
Engine displacement	190 cc
Engine oil	15W40
Engine oil crankcase	0.55 L
Fuel	Unleaded petrol 95
Fuel tank capacity	1,2L
Grass bag capacity	60 L
Mulching function	Yes
No-load Speed	3600 rpm
Rated power	5,5 cv / 4 kW
Rear discharge	Yes
Recommended working area	1500 m²
Side discharge	Yes
Sound power level (LWA)	dB
Wheels diameter	mm
