

MAGNUM

CHAINSAW 37CC

VIMS37

VITO's 37cc Chainsaw from the MAGNUM range is ideal for pruning branches, cutting shrubs and small and medium-sized trees. Perfect for maintaining gardens and smaller areas, it combines lightness with efficiency, making it suitable for agriculture, landscaping, and woodwork. Equipped with a high-quality 400 mm guide bar from Oregon and a 57-link chain, it stands out for its durability and resistance to wear, ensuring an effective and consistent cut. The Walbro carburetor primer bulb guarantees reliable operation, and the easy oil regulation allows you to adjust the lubrication flow. With its anti-vibration system and soft handle, this model offers an ergonomic user experience, minimising fatigue and allowing a more precise control while working. It also comes with a spare chain, guide bar cover, spark plug wrench and file, everything you need for its maintenance and longevity.
