

HORIZONTAL EDGE LOG SPLITTER 7 TON

VIRL7A

The VITO 7-Ton Horizontal Log Splitter is the ideal solution for those seeking power and convenience in firewood cutting. Equipped with a 7-ton cutting pressure and a 2900W motor, this splitter delivers efficient and precise cutting, suitable for logs up to 52 cm in length and a maximum cutting diameter of 230 mm. The horizontal design and ergonomic base ensure comfort and safety during use, providing practical handling even during prolonged tasks. With a voltage of 230 V AC and an IP44 protection rating, this log splitter is durable and safe for use in various environments, making it a versatile and reliable choice for those who need to prepare firewood efficiently.

Key features

- > Cutting pressure of 7 tons
- > 2900W motor, 230V AC, and IP44 rating
- > Maximum cutting length of 52 cm
- > Cutting diameter up to 230 mm
- > Ergonomic base for comfortable and safe cutting

Specifications

Dimensions	1220 x 400 x 1240 mm
Lubrication	Oil - ISO VG 22
Maximum cutting diameter	230 mm
Maximum cutting length	520 mm
Maximum pressure	7 tons
Packaging 1 dimensions	1020 x 310 x 480 mm
Packaging 1 weight	53,3 Kg
Packaging 2 dimensions	930 x 415 x 150 mm
Packaging 2 weight	20 Kg
Product weight	73 Kg
Protection class	IP44
Rated power	2900 W
Sound power level (LWA)	75 dB
Splitting cycle	S3 - 40%
Supply voltage	230 V 50 Hz
Temperature	5 - 40 °C
