

1500W - 185MM CIRCULAR SAW

VISC15185

VITO's 1500W Circular Saw, with a cutting capacity of up to 65mm, is suitable for straight cuts and mitre cuts in wood, plastic and similar materials. The appliance includes a parallel guide, a 185mm wood cutting blade and a hex key to allow simple and safe blade changing. It also contains a dust and shavings collection bag which protects the user and keeps the workplace clean. The advantage of this circular saw is that it can be connected to vacuum systems using the adapter already supplied with the VITO vacuum cleaner (VIASL40). This practical and easy-to-use circular saw also has an ergonomic handle.
