

## SLIDING MITRE SAW 1500 W - 210 MM

### VISCME210

VITO's Sliding Mitre Saw is the ideal solution for efficient cutting work. With 1500 watts of power and a rotational speed of 5000 rpm, this saw ensures high-precision and reliable cuts. Equipped with a 210 mm diameter blade, the saw guarantees high cutting capacity. In addition, it includes a laser line level for more precise cuts. Allowing you to make 45° and - 45° angled cuts, it can reach a maximum cutting height of 60 mm and a depth of up to 310 mm, ensuring maximum versatility and accuracy. Robust and compact, this saw is the right choice for jobs that require total precision.

#### Key features
