

7-DRAWER TOOL ROLLER CABINET VITCF7G

The top of this roller cabinet has a sturdy stainless-steel base, allowing it to be used as a workbench. The surface of the drawers has oil- and chemical-resistant dividers, allowing you to organise your tools and accessories safely. All the drawers are equipped with smooth guides and have a load capacity of 35 kg/45 kg, allowing a variety of tools to be stored without compromising the roller cabinet's functionality. To ensure the security of the storage and tools, this model is equipped with a drawer lock and side door lock with two keys each.

Key features

- > Comfortable and sturdy handle;
- > Surface with compartments, resistant to oils and chemicals;
- > 221 Tools divided across 5 drawers;
- > 2 Empty drawers for additional storage;
- > Each of the drawers has smooth ball bearing slides and a load capacity of 35kg/45kg;
- > Two lockable castors with easy access.
