

## HYDROSTATIC LAWN TRACTOR 86 CM VITCRH86

VITO's Hydrostatic Lawn Tractor (VITCRH86) is ideal for medium and large lawns, covering areas of up to 3500 m<sup>2</sup> with a precise, even cut. With a cutting width of 86 cm and a collection platform of 245 L, it allows extended periods of uninterrupted use and can be easily emptied via a handy lever next to the seat, offering maximum convenience. With 7 levels of cutting height adjustment, it adapts to different types of lawn for perfect results. It stands out for its hydrostatic transmission, which provides a smooth and practical ride, similar to an automatic transmission. The headlights improve visibility in low light conditions, increasing safety and productivity. The bumper protects the bonnet against impacts with obstacles, ensuring greater resistance. The ergonomic steering wheel reduces fatigue and eases control, while the low-vibration seat ensures comfort for a more efficient and enjoyable experience.

### Key features

- > High-precision cutting: A cutting width of 86cm and 7 levels of adjustment guarantee a perfect finish.
- > Wide coverage: Ideal for lawns of up to 3500m<sup>2</sup>.
- > Optimised comfort: Hydrostatic traction drive with continuous variable speed, making driving easier.
- > Extended capacity: 245L collection platform with simple emptying system.
- > Easy customisation: Quick adjustment of the cutting height for different lawn conditions.
- > Headlights: They increase visibility, allowing you to work in low light conditions.
- > Front bumper: Provides additional protection for the tractor bonnet, ensuring greater durability and resistance.
- > Comfortable steering wheel: The ergonomic steering wheel offers a more pleasant driving experience and reduces fatigue during extended periods of use.
- > Comfortable seat: Provides a relaxed driving position with low vibration.

### Specifications

Cutting diameter	<b>860 mm</b>
Cutting levels	<b>7 : 30 - 90 mm</b>
Engine	<b>4-stroke combustion</b>
Engine displacement	<b>452cc</b>
Engine oil	<b>15W40</b>
Engine oil crankcase	<b>1,2 L</b>
Fuel	<b>Petrol</b>
Fuel tank capacity	<b>7,5 L</b>
Grass bag capacity	<b>245 L</b>
No-load Speed	<b>2600 rpm</b>
Recommended working area	<b>3500 m2</b>
Sound power level (LWA)	
Transmission	<b>Hydrostatic - Tuff Torq</b>
Work surface tilt	<b>Máx. Longit. 27%   Lateral 18%</b>
Engine brand	<b>Loncin</b>
Maximum speed	<b>8.8 km/h Forward   4.5 km/h Reverse</b>

Rated power

10,5 cv | 7,8 kW
